

Questions 22–25

Reading Passage 2 refers to the three-wave theory of early migration to the Americas. It also suggests in which of these three waves the ancestors of various groups of modern native Americans first reached the continent.

Classify the groups named in the table below as originating from

- A** the first wave
- B** the second wave
- C** the third wave

Write the correct letter, A, B or C, in boxes 22–25 on your answer sheet.

Name of group	Wave number
Inuit	22
Apache	23
Pima-Papago	24
Ticuna	25

Question 26

Choose the correct letter, A, B, C or D.

Write the correct letter in box 26 on your answer sheet.

Christy Turner's research involved the examination of

- A** teeth from both prehistoric and modern Americans and Asians.
- B** thousands of people who live in either the New or the Old World.
- C** dental specimens from the majority of prehistoric Americans.
- D** the eating habits of American and Asian populations.
